Notes:

THE OHIO STATE UNIVERSITY

A waiver of tuition for Ohio State students that participate on university-approved third party provider or direct enroll programming is in effect until June 30, 2021.

This program has multiple summer options. Please review the separate budget sheets for each option:

- 8 week session (May 28 - July 26, 2020):
- 10 week session (May 28 - August 9, 2020):

The [School of Russian and Asian Studies \(SRAS\) program costs](#) include tuition for study as outlined, visa and registration, pre-departure materials, local orientation, health and accident insurance, housing as listed below, round-trip airport transfers, SRAS in-country support, and use of a mobile telephone for the duration of the program.

Programs in Russia include dormitory accommodation; homestay is available in all Russian locations at additional cost. SRAS suggests a weekly budget of around \$100-\$150 for meals. Additional budgeting information can be found in SRAS' "[Student Budgets and Finance](#)" guide.

The Misc/Education Abroad Personal Expenses include the estimated cost of an HIV test at Wilce Student Health Center. The HIV test is a required component of the student visa to Russia. Students are not required to go to Wilce to have this test completed; the cost is offered as an estimate only.

The Centers for Disease Control can be consulted for [recommended vaccines for travel to Russia](#).

*This is an estimate of both the billed expenses that will appear on a student's Statement of Account and the non-billed (out-of-pocket) expenses for budgeting purposes.

This program budget sheet is intended for the 2020 summer term and was updated on 18 February 2020.
